

The 8th Annual

DIVERSITY CELEBRATION

March 2009

Dear Diversity Celebration Participant,

We are very glad that you have decided to attend the eighth annual Diversity Celebration. We hope that you will have a wonderful time learning some information about a variety of different cultures in a fun and engaging way.

There are a few important needs that we have established to help insure that this is a safe, pleasant and enjoyable event for all:

- All children and youth must be accompanied by an adult at all times.
- All children and youth must wear a name tag. It will save time if the children and youth are wearing name tags when they arrive.
- The student union was not built with children in mind. The stairs are particularly dangerous. Please use extra caution.
- If you need assistance locating a certain event or room, please see a Diversity Celebration volunteer wearing a black t-shirt with the Diversity Celebration logo.
- All food must be eaten in the Grandfather Mountain Ballroom, located on first floor.
- Walking is preferred over running in this space.
- If someone in your group spills something, please locate a Diversity Celebration volunteer or Plemmons Student Union staff member immediately so that the spill can be taken care of in an appropriate manner.

Again, we are extremely excited that you decided to go on the cultural journey with us as you attend the 2009 Diversity Celebration where we believe, “the more you know, the more you grow...water the garden!”

Sincerely,

Tracey L. Wright
